

BENESSERE IN DOCCIA

# WaterTherapy®

WELLNESS IN SHOWER

*Il benessere della doccia unita al beneficio della cromoterapia, una pratica naturale basata sull'influenza della luce colorata.*

The wellness of the shower joined to the benefit from the chrome therapy, a totally natural practice based on the coloured light influence.

# RADIOCOMANDO

## REMOTE CONTROL

*I soffioni WaterTherapy sono corredati di radiocomando per gestire a distanza l'accensione ed il programma benessere preferito.*

The WaterTherapy showerheads are supplied with remote control to manage the switch on & off and the preferred wellness program.

DURATA 10 MINUTI

MAGENTA PROGRAM

10 minutes length

### PROGRAMMA GLICINE

DURATA 10 MINUTI

PURPLE PROGRAM

10 minutes length

### PROGRAMMA BLU

DURATA 10 MINUTI

BLUE PROGRAM

10 minutes length

### PROGRAMMA CIANO

DURATA 10 MINUTI

CYAN PROGRAM

10 minutes length

### PROGRAMMA VERDE

DURATA 10 MINUTI

GREEN PROGRAM

10 minutes length

## LED A LUNGA DURATA

### LONG LIFE LEDS

I LED utilizzati garantiscono:

- nessuna necessità di manutenzione
- luminosità costante per molteplici anni
- ridotto assorbimento di potenza
- prestazione ottimale ad ogni temperatura.
- efficace percezione dei colori
- assenza di intermittenza
- esigua emissione di calore

The LEDs ensure:

- no maintenance need
- constant brightness for several years
- low power consumption
- excellent performance at any temperature
- efficient color perception
- flashing absence
- small heat emission

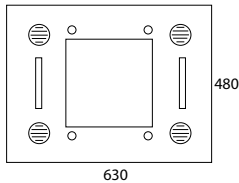

## UGELLI ANTICALCARE

### NOZZLES PREVENTING FROM LIMESTONE

*Gli speciali ugelli anticalcare in morbido silicone si puliscono con una semplice passata di spugna. Ogni singolo ugello contiene un Led per garantire l'effetto avvolgente della pioggia colorata.*

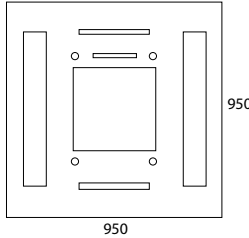

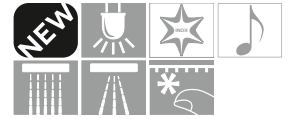

The special limestone resistant nozzles of soft silicon should be cleaned with a simple quick wipe of sponge. Every nozzle contains a Led to ensure the enveloping effect of colored rain.
